PART 1A COMING INTO FORCE

1A.1 This Agreement comes into force and will become effective and binding on the parties on the Implementation Date (see Article 1.01 of the IRSSA). For greater certainty, if the IRSSA does not become effective and binding, then this Agreement has no force and effect.

PART II DEFENCE AND RESOLUTION OF IRS ABUSE CLAIMS

2.1 As long as there is a prospect of settling a claim solely on the basis of the allegations which fall within the definition of an IRS Abuse Claim, it is to be treated as such for the

purposes of this Agreement notwithstanding the fact that claims arising from alleged loss or diminution of aboriginal language or culture or other claims falling outside the definition are also being made.

2.2 In this Part, a reference to one or more Catholic Entities means only those Catholic Entities which were associated with the IRS from which a claim arises, or within whose territorial jurisdiction the IRS is or ever was located and is a party to this Agreement.

2.3 It is the Government's intention to defend or resolve all IRS Abuse Claims in which it is a named party. For claims based on intentional torts arising prior to May 14, 1953 the Government will assert immunity if the matter proceeds to trial and will play no role in the defence after a court finds such immunity. The Government will provide written notice of its intention to each Catholic Entity which is a party to these claims not later than 120 days before the start of such trial, and such Catholic Entity will defend the claims or otherwise settle them.

2.3.1 The Government agrees to wholly indemnify the Catholic Entity for all Compensation paid to a Claimant pursuant to this Section or Section 4.2.; and

2.3.2 The Government will further indemnify the Catholic Entity for legal fees and expenses incurred by the Catholic Entity in defending an IRS Abuse Claim based on an intentional tort arising prior to May 14, 1953 for the period of time from and after a court has dismissed the claim against the Government based on Crown immunity to the date of resolution of the claim. The indemnification will be in an amount as agreed between the Government and the Catholic Entity, or as determined in accordance with Part V hereof. In the event of resort to Part V the parties and any Mediator appointed under Section 5.6 shall have regard to the rules, principles and caselaw that would apply in the taxation of a solicitor and own client account in the province or territory where the claim was brought.

2.4 Each Catholic Entity will cooperate in the defence or resolution of all IRS Abuse Claims against it, whether advanced within or outside the IAP, and may elect to participate at its own expense in the defence of any claim, or certain aspects of it, subject to any applicable rules and procedures. In the case of a claim being resolved through the IAP, the Entities' rights to participate and obligations are as set out therein.

2.5 The Government agrees to co-operate with each Catholic Entity to minimize the circumstances in which the Claimant pursues independent causes of action or theories of liability against each Catholic Entity in an IRS Abuse Claim.

2.6 The Government, where requested by a Catholic Entity, shall provide disclosure of and production of relevant files and documents to counsel for that Catholic Entity and its researchers and/or experts, excepting files and documents with respect to which solicitor-client privilege or other lawful privilege applies and is asserted and subject to privacy concerns and legislation. Any information obtained from records pursuant to this Section

will be used exclusively for the DRM or IAP processes or for the defence of the IRS Abuse Claim for which the information was sought unless otherwise agreed in writing.

2.7 The Government, the Corporation and each Catholic Entity agree that instructions given to their respective counsel will be consistent with the terms and intent of this Agreement, and further accept and acknowledge that their respective representatives and counsel are instructed by, act for, and represent only their principal.

2.8 The Government and each Catholic Entity will within 60 days of the coming into force of this Agreement withdraw any third party claim or cross claim against each other in IRS Abuse Claims on a reciprocal, without costs basis, other than in a proceeding which includes allegations beyond IRS Abuse Claims, and will refrain from issuing such claims in the proceeding which includes allegations beyond IRS Abuse Claims.

2.9 The provisions of Appendices III and IV of the IAP apply to the collection and submission of documents and to the participation and evidence of an alleged perpetrator in IAP.

2.9A Each Catholic Entity will, upon request by the Government, provide the Government with access to any documents in the possession of the Catholic Entity that could assist with validation of applications for the Common Experience Payment (CEP) as that term is defined in the IRSSA, all at the expense of the Government.

2.10 In litigation, and subject to Appendices III and IV of the IAP, in IAP, where a Catholic Entity elects not to participate in the validation, resolution or defence of IRS Abuse Claims in litigation and, in IAP to the extent that the following provisions apply, the Catholic Entity will at its own expense:

2.10.1 Comply with all reasonable requests from the Government for information during the proceedings;

2.10.2 Provide counsel for the Government and its researchers and/or experts with full access to all relevant files and databases, excepting documents with respect to which solicitor-client privilege or other lawful privilege applies and is asserted. Any information obtained from records pursuant to this section will be used exclusively for the DRM or IAP processes or for the defence of the IRS Abuse Claim, for which the information was sought unless otherwise agreed in writing;

2.10.3 Participate, through a representative, to the extent consistent with its values and traditions in any apologies, reconciliation or closure ceremonies that are agreed to as part of the resolution of an IRS Abuse Claim and, provided the terms of this Agreement have been followed, support the result achieved as if they had been represented by counsel and had defended the Claim. For greater certainty, the Catholic Entity will pay for its own expenses for attendance and participation but not for the ceremony itself;

- 2.10.4 Provide disclosure and production of relevant documents in its possession or control, and provide witness statements on request;
- 2.10.5 Attend, as appropriate, at the discovery of their witnesses, and otherwise facilitate the testimony of witnesses within its employ; and
- 2.10.6 Accommodate a Claimant's reasonable request that a representative of the Catholic Entities attend a hearing while a Claimant is giving evidence or otherwise relating his or her experience at an IRS.
- 2.11 In IAP, where a Catholic Entity elects not to participate in the validation, resolution or defence of IRS Abuse Claims and subject to Appendix III of the IAP, the Government will:
- 2.11.1 Provided a witness statement is submitted in advance, or the individual provides a full interview to the Government, the Government will pay the reasonable travel and accommodation costs of a member, employee or former employee of a Catholic Entity to appear at a DRM or an IAP hearing. In other proceedings involving IRS Abuse Claims, the Government will only be responsible for any expense related to the participation of the member, employee or former employee of a Catholic Entity where the Government requires the participation of such member, employee or former employee; and
- 2.11.2 The Government will participate in and may conclude negotiations to determine the amount of Compensation in any settlement.
- 2.12 Each Catholic Entity will provide documents to the Truth and Reconciliation Commission in accordance with Schedule "E".
- 2.13 IRS Abuse Claims brought outside the IAP will be settled only where the standard of proof utilized by the courts for matters of like seriousness has been met. Settlement offers will be based on evidentiary considerations and legal principles. IAP Claims shall be settled in accordance with its terms and conditions.
- 2.13.1 Where a Catholic Entity advises the Government in writing that it wishes to be consulted before the Government settles an IAP claim without holding a hearing, the Government will consult with the Catholic Entity provided that within two weeks of notification the Catholic Entity commits to a reasonable timetable and process for consultation.
- 2.14 Where a trial is held in a matter arising under the IAP, neither the Government nor a Catholic Entity will rely upon the defence of limitations or the doctrine of laches or other defence not going to the merits. This section does not apply to claims by a plaintiff who has opted out of the IRSSA.

2.14.1 Where an opt-out claim can be settled, the Government and the affected Catholic Entity agree that it will be resolved without regard to possible defences which do not go to the merits, such as limitations or laches. Should such a claim proceed to trial, Crown immunity, where applicable, will be asserted by the Government, and the Catholic Entity will be free to determine the defences it will assert.

2.15 Where a Catholic Entity makes a request in writing the Government will, in a timely manner, provide the Catholic Entity, or its designated representative, with copies of IRS Statements of Claim served on the Government, and copies of Notices of Examinations it serves on IRS Claimants, in order to facilitate informed decisions about potential participation by that Catholic Entity.

2.16 Where IRS Abuse Claims are being advanced in litigation, the Government and the Catholic Entities will each notify the other of any settlement overtures from claimants.

2.17 Where a Catholic Entity receives from the IAP Secretariat a copy of Claimant's IAP application or receives from the Government a copy of an application to the DRM, the Catholic Entity agrees to be bound by trust conditions imposed on it with respect to confidentiality or, if it does not so agree in one or more instances, to return the document(s) without copying, reading or making use of it in any way.

2.18 Releases by Class Members, Cloud Class Members and Non-resident Claimants are as provided for in the IRSSA, specifically Articles 4.06, 11.01, 11.02 and Schedule P, and the Approval Orders. As part of any resolution of a claim brought by any person not bound by the IRSSA arising out of or in relation to an Indian Residential School or the operation generally of Indian Residential Schools, the Government will concurrently secure from the claimant a dismissal of the claim and release for itself and the affected Catholic Entity from any and all past, present and future claims, whether or not now known to or existing at law, arising from or connected to, directly or indirectly, an Indian Residential School.

2.18.1 The release by a person not bound by the IRSSA shall be in the form attached as Schedule D.

2.19 Each Catholic Entity, the Corporation and Canada agree that they will bring no action or claim whatsoever against the other or its counsel related in any way to the validation, resolution or defence of any DRM, IAP or opt-out claim, and agree that this section shall operate as a full and complete defence to any such claim and that each of them shall be barred from recovering as against the other any and all amounts claimed by way of damages, interest, costs or expenses in any way related to such claims. The parties further agree to indemnify each other for any and all costs, expenses and damages suffered by each of them as a result of such action or claim being brought against the other or its counsel by them.

2.20 Section 2.19 does not operate to prevent the Government, the Corporation or a Catholic Entity from taking an action to enforce the provisions of this Agreement.

**PART III:
HEALING AND RECONCILIATION AND FINANCIAL COMMITMENTS**

3.1 The Catholic Entities will establish a not for profit corporation for healing and reconciliation for the exclusive purpose of implementing and carrying out the financial and In-Kind Services provided for in this Agreement and, subject to approval by the Government of its articles of incorporation, will have established the Corporation before the execution of this Agreement. The Corporation shall provide the Government with its constating documents and bylaws upon incorporation, and as amended from time to time, and with financial statements on its operations no later than 120 days following the end of each fiscal year until the financial and service commitments provided for by this Agreement and the Settlement Agreement are fulfilled.

3.1.1 The Government shall have the right to review and approve the articles of incorporation of the Corporation prior to incorporation.

3.2 The Corporation shall maintain segregated funds, accounts and records for each of the below listed \$29,000,000 cash contribution, \$25,000,000 In-Kind Services, and the funds raised in the Canada-wide fund raising campaign.

3.3 Each Catholic Entity and the Episcopal Corporation of Saskatoon agrees to pay or transfer to the Corporation for use in accordance with this Agreement the amount of money specified in a confidential list provided to the Deputy Minister, IRSRC. The list shall include amounts and a payment schedule for each Entity (“the Payment List”). The total of such individual commitments shall be \$29,000,000, less the aggregate amount paid by one or more of the Catholic Entities or Other Catholic Entity for IRS Abuse Claim Compensation as of the date this Agreement comes into force (the “Net Amount”).

3.3.1 Within 60 days of this Agreement coming into force the Government and each Catholic Entity and Other Catholic Entity shall agree upon the amount that has been paid by the latter for IRS Abuse Claims. The amount remaining payable by each Catholic Entity as set out in the Payment List shall be secured by a promissory note and consent to judgment by that Catholic Entity in favour of the Corporation. The aggregate amount of all promissory notes and consents to judgment shall be the Net Amount. The promissory notes and consents to judgment shall be held by the Corporation in trust to be used only in the event of default, and then only as against an Entity in default.

3.3.2 Each Catholic Entity shall pay its share of the Net Amount as shown on the Payment List within a five year period commencing the day following the coming

into force of this Agreement or such earlier date as may be agreed to by the parties. In no case shall the annual contribution to the Corporation by any Catholic Entity be less than 20% of that Entity's share of the net amount. The annual instalment shall be paid by each entity to the Corporation no later than March 31st of the year in which it is due. All payments are subject to verification and audit by a duly qualified person appointed by the Government.

3.4 The Corporation shall pay monies deposited with it pursuant to section 3.3 to the Aboriginal Healing Foundation ("AHF") in accordance with Schedule C or in accordance with Schedule B under the exception set out in section 4 of Schedule C.

3.5 Each Catholic Entity and the Episcopal Corporation of Saskatoon shall provide In-Kind Services as set forth in a confidential list ("the In-Kind Services List"), such list to be provided by the Corporation to the Deputy Minister, IRSRC.

3.5.1 The List shall include the value and a delivery schedule for each Entity. The total of the In-Kind Services by the Catholic Entities in the aggregate shall be \$25,000,000 contributed over ten years toward healing and reconciliation for former IRS students, and their families and communities.

3.6 The determination of qualifying In-Kind Services shall be made in accordance with Schedule B. Subject to the exception set out in Schedule B, section 11, the ten year period will commence the day following the coming into force of this Agreement. A minimum of \$2,500,000 In-Kind Services shall be made each year for the ten year period or until the In-Kind Services contributions total \$25,000,000, whichever comes earlier.

3.6.1 No Catholic Entity shall be liable for more than its scheduled value of In-Kind Services as set out in the In-Kind Services List. In-Kind Services are subject to verification of delivery and compliance with Schedule B and audit.

3.7 Each Catholic Entity shall provide a promissory note and consent to judgment to the Corporation to secure the amount of its In-Kind Services. The promissory notes and consents to judgment shall be held by the Corporation in trust to be used only in the event of default, and then only as against the defaulting entity.

3.8 The Government is entitled to receive from the Corporation and the Catholic Entities on an annual basis information sufficient to enable the Government to verify performance of the obligations contained in sections 3.3 and 3.5 of this Agreement.

3.8.1 Canada may provide the other Church Organizations with the total amounts determined under 3.3.2 and 3.6 of the Agreement annually so they can determine their own proportionate financial obligations under their respective agreements with the Government.

3.9 Each Catholic Entity and the Corporation further agree to use their best efforts

throughout the seven year period following the day after the coming into force of this Agreement to raise \$25,000,000 through a Canada-Wide campaign to be established by the Corporation for healing and reconciliation for former IRS students and their families and communities. The funds to be raised through the Canada-Wide campaign, net of reasonable and necessary administration costs to raise the funds, shall be paid to the Corporation on an annual basis and awarded as grants in accordance with Schedule B.

3.9.1 Best efforts shall be deemed to have been made where the fund-raising campaign demonstrates on a Canada-Wide level in each of the seven years an approach and means that is consistent with the approach and means used by professionally managed national fundraising campaigns, including those operated by universities and hospital foundations.

3.9.2 Each Catholic Entity shall cooperate with the other Catholic Entities and the Corporation with a view to causing the Corporation to perform its obligations under Section 3.9.

3.9.3 No Entity shall be held in default of its obligation as to best efforts or to cooperate in the campaign where, having regard to the campaign as a whole, best efforts have been made.

3.9.4 For greater certainty, not raising \$25,000,000 shall not, in itself, be a condition of default.

3.10 The Government is entitled to receive from the Catholic Entities and the Corporation on an annual basis information sufficient to enable the Government to verify that best efforts have been made and the amount of monies raised through the Canada-Wide campaign.

3.10.1 Canada may provide the other Church Organizations with the total amounts raised annually through the Canada-Wide campaign so they can determine their own proportionate financial obligations under their respective agreements with the Government.

3.11 Prior to the coming into force of this Agreement each Catholic Entity shall provide a statutory declaration of a duly authorized officer to satisfy the Government in accordance with accepted standards that it has the ability to meet its obligations under this Agreement.

3.12 So long as contributions made under section 3.3 to the Corporation are kept current as required by this Agreement, interest accruing on the funds held by the Corporation shall be used by the Corporation, first, for the payment of reasonable administration costs of the Corporation, and thereafter in accordance with Schedule B. The interest on any instalment paid to the Corporation before the due date shall be credited to the entity making the payment for the period of time from the date of payment to the due date.

3.12.1 Should the reasonable administration costs exceed the amount of interest on the funds on an annual basis, then the reasonable administration costs of operating the Corporation may, with the consent in writing of the Government be paid from the capital amount held by the Corporation. The Government may not unreasonably withhold the consent referred to in this Section.

3.13 The occurrence of any of the following events or conditions will be a default by a Catholic Entity:

3.13.1 Failure to fulfill its obligations under Sections 3.3, the first paragraph of 3.5, 3.7 and 3.11 where the default remains outstanding for more than 60 days;

3.13.2 Failure to fulfil its obligations under section 3.9;

3.13.3 Amalgamation with another entity on terms which do not provide that the amalgamated entity assumes the liabilities and obligations of the amalgamating body under this Agreement, the Settlement Agreement and Approval Orders, or becomes insolvent or bankrupt or makes a proposal or files an assignment for the benefit of creditors under the *Bankruptcy and Insolvency Act* or similar legislation in Canada or any other jurisdiction, or ceases doing business, or winds up, unless prior to such amalgamation, insolvency, bankruptcy, winding up, or assignment another Catholic Entity that is solvent and with sufficient funds to satisfy the obligations of the first entity assumes the obligations of such entity under this Agreement.

3.14 In the event of default by a Catholic Entity as defined in Section 3.13, the Corporation shall notify the Government in writing and the Corporation shall take such steps as are reasonable to cause the default by the Catholic Entity to be remedied.

3.15 In addition, with respect to a default under section 3.13.1, the Corporation and Government, as applicable, will have the following rights:

3.15.1 The Corporation is entitled to make such use of a defaulting Entity's promissory note and consent to judgment as it sees fit in order to realize on the amount(s) outstanding from the defaulting Entity, including the right to use, sue, file or register, and execute on the promissory note and consent to judgment;

3.15.2 The Government, in its sole discretion, may require the Corporation to deliver to it the defaulting Catholic Entity's promissory note and consent to judgment and, in such event may make such use of the promissory note and consent to judgment as it sees fit in order to realize on the amount outstanding from the defaulting Entity, including the right to use, sue, file or register, and execute on the promissory note and consent to judgment;

3.15.3 The Government, in its sole discretion, may require the Corporation to take all necessary steps to recover against a defaulting Entity on its promissory note and consent to judgment;

3.15.4 All proceeds recovered pursuant to Sections 3.15.1, 3.15.2, or 3.15.3 shall be applied, firstly, to pay the reasonable expenses related the use, suit, filing or registering or execution on the promissory note and consent to judgment and, secondly, to discharge or satisfy the obligations of the defaulting Entity under this Agreement.

3.16 The occurrence of any of the following events or conditions will be a default by the Corporation:

3.16.1 Breach of its obligations set out in Sections 3.2, 3.4, 3.7, 3.15.2 or 3.15.3 of this Agreement;

3.16.2 Failure to fulfil its obligations under section 3.9; and

3.16.3 Amalgamation with another entity on terms which do not provide that the amalgamated entity assumes the liabilities and obligations of the Corporation under this Agreement, the Settlement Agreement and Class Action Judgments, or becoming insolvent or bankrupt or making a proposal or filing an assignment for the benefit of creditors under the *Bankruptcy and Insolvency Act* or similar legislation in Canada or any other jurisdiction, or ceasing doing business or winding up, unless prior to such amalgamation, insolvency, bankruptcy, winding up, or assignment another corporation that is solvent with sufficient funds to satisfy the obligations of the Corporation assumes the obligations of the Corporation under this Agreement.

3.17 In the event of default by the Corporation, in addition to any other remedies the Government may have by law, the Government may:

3.17.1 Pursue remedies under Part V in an expedited way, and failing resolution under Part V make a summary application to court for a remedial order; or

3.17.2 Appoint a receiver over the Corporation.

3.18 If the provisions of Section 3.3, or 3.5 to 3.7 are not fully complied with, and the Government has taken reasonable steps against a defaulting Entity to execute on the promissory note and consent to judgment as against such Entity and obligations of that Entity remain outstanding, then in addition to any other rights or remedies to which the Government may be entitled by law, or by this Agreement, the Government may declare this Agreement, or, at its sole discretion, any portion thereof, to be void as to the defaulting Catholic Entity by notice in writing to all Catholic Entities and the Corporation or the Government may thereafter apply to court for an order removing the

defaulting Catholic Entity in from the deemed releases which arise under the IRSSA. In such case the defaulting Catholic Entity agrees to consent to judgment.

3.19 Notwithstanding Section 3.17.1, where a dispute arises as to whether the obligations of a Catholic Entity or the Corporation set out under Section 3.9 of this Agreement have been met, in addition to remedies under Part V of this Agreement, the Government may at any time refer the matter to the appropriate court on a summary basis. Where the court finds that the Catholic Entity or the Corporation has failed to meet its obligations under Section 3.9, the Government shall consider reasonable proposals from the defaulting Catholic Entity or Corporation, as the case may be, to remedy the default. Remedies may include additional fundraising efforts, In-Kind Services or additional cash. In addition:

3.19.1 Where the Government and a defaulting Catholic Entity do not agree on a remedy, the Government may declare this Agreement or, at its sole discretion, any portion thereof to be void as to the defaulting Catholic Entity by notice in writing to all Catholic Entities and the Corporation or the Government may thereafter apply to court for an order removing the defaulting Catholic Entity from the deemed releases which arise under the IRSSA. In such case, the defaulting Catholic Entity agrees to consent to judgment.

PART IV APPORTIONMENT AND PAYMENT OF COMPENSATION

4.1 Where an IRS Abuse Claim is resolved after the coming into force of this Agreement, the Government will pay in full all Compensation payable for such claim, and the Catholic Entities shall bear no responsibility to pay any part of such Compensation.

4.1.1 For greater certainty, it is agreed that all Compensation for IRS Abuse Claims paid by a Catholic Entity as of the coming into force of this Agreement shall remain undisturbed, and credited in accordance with Section 3.3.1.

4.2 Notwithstanding Section 4.1, where all or part of the Compensation awarded at a trial for an IRS Abuse Claim relates only to an intentional tort committed prior to May 14, 1953 for which the Crown is immune, any Catholic Entity against whom judgment is

rendered shall pay 100% of the Compensation that relates to such intentional tort, and Section 4.1 shall apply only to the balance of such Compensation, if any. The provisions of Sections 2.3 and 4.7 shall apply to the amount of Compensation paid by a Catholic Entity under this clause so as to indemnify the Catholic Entity in a timely way.

4.3 Following the coming into force of this Agreement, the Government will, at the request of a Claimant whose IRS abuse claim was settled by the Government without contribution from a Catholic Entity which is a party to such claim and is a party to the Approval Orders, such settlement having been for an amount representing a fixed reduction from the assessed Compensation, offer to pay the balance of the assessed Compensation to the Claimant. Provided, however, that no amount shall be paid to a Claimant pursuant to this section until the Claimant agrees to accept such amount in full and final satisfaction of his or her claim against the Catholic Entity and the Government, and to release them.

4.4 The liability of a Catholic Entity for all Compensation for IRS Abuse Claims is discharged by full compliance of its obligations under this Agreement, and that thereafter the Government will not require further monies be paid or In-Kind Services be provided by such Catholic Entity.

4.4.1 The Episcopal Corporation of Saskatoon, which did not have an IRS located within its territorial boundaries nor did it provide staff to work in an IRS, is a party to this Agreement for purposes of contributing cash and providing In-Kind Services (in accordance with Sections 3.3 and 3.5 to 3.8, 3.11 and Schedule B hereof) and for complying with the requirements as to documents and witnesses and participation in ceremonies (in accordance with Sections 2.10 and 2.12 hereof). The liability of the Episcopal Corporation of Saskatoon for all Compensation for IRS Abuse Claims is discharged by full compliance of its obligations under this Agreement, and thereafter the Government will not require further monies be paid or In-Kind Services be provided by the Episcopal Corporation of Saskatoon.

4.4A The Jesuit Fathers of Upper Canada, the Roman Catholic Episcopal Corporation for the Diocese of Sault Ste. Marie in Ontario Canada, and the Daughters of Mary, being Other Catholic Entities with an existing agreement with the Government that provides for the payment of Compensation (which is paid up) and who are not parties to this Agreement, shall not receive any benefit or incur obligations pursuant to or arising from this Agreement.

4.5 In the event that the terms of this Agreement are fully complied with then notwithstanding anything to the contrary herein or elsewhere contained, the Government will release and forever discharge each Catholic Entity from any and all causes of action, claims or demands for damages for IRS Abuse Claims or claims included in the Approval Orders. In such event the Government will also agree not to make any claims or demands or commence, maintain or prosecute any action, cause or proceeding for damages,

compensation, loss or any other relief whatsoever against any Catholic Entity arising directly or indirectly from any IRS Abuse Claim or other claims included in the IRSSA.

4.6 So long as a Catholic Entity is complying with its obligations under this Agreement, the Government agrees to indemnify and save harmless such Catholic Entity from any and all claims for Compensation payable to a Claimant in an IRS Abuse Claim. If a Catholic Entity is not complying with its obligations under this Agreement, then the Government will not indemnify and save harmless such Catholic Entity for the period of time it is not in compliance.

4.7 Where the Corporation certifies that a Catholic Entity has fully complied with its obligations under Sections 3.3 and 3.5 of this Agreement, and where best efforts have been made to date and the Canada-Wide campaign is successful having regard to other professionally managed national fundraising campaigns, and the Catholic Entity commits to continue its best efforts in the Canada-Wide campaign, the Government shall release and forever discharge that Catholic Entity from any and all causes of actions, claims or demand for damages for IRS Abuse Claims or claims included in the Approval Orders and shall not make any claim or demand or commence, maintain or prosecute any other cause or proceeding for Compensation made against that Catholic Entity in an IRS Abuse Claim.

PART V RESOLUTION OF DISPUTES CONCERNING THIS AGREEMENT

5.1 The parties to this Agreement share the following objectives in the implementation of the Agreement, namely to:

5.1.1 co-operate with each other to develop harmonious working relationships;

5.1.2 prevent, or, alternatively, to minimize disagreements;

5.1.3 identify disagreements quickly and resolve them in the most expeditious and cost-effective manner; and

5.1.4 resolve disagreements in a non-adversarial, collaborative and informal atmosphere.

5.2 If any dispute arises out of, or has arisen relating to this Agreement, or the breach, validity or interpretation or subject matter thereof, the disputing parties will diligently endeavour to settle the dispute through good faith negotiations.

5.2.1 Section 5.2 does not abrogate the rights set out in Sections 3.15, 3.17, 3.18 and 3.19 nor the right to seek specific performance as set out in Section 5.7.

5.3 If the disputing parties resolve some, but not all issues in dispute during the course of, or as a result of the negotiations, their rights with respect to the remaining unresolved issues shall remain unaffected by the negotiations in any subsequent proceeding.

5.4 Within sixty (60) days of the execution date of this Agreement the Government and the Catholic Entities collectively, shall each appoint one person as their Nominee to an Implementation Steering Committee, for the purpose of overseeing the administration and interpretation of the provisions of this Agreement and shall provide in writing the name of their Nominee to the other. For the purposes of this Part the Government shall be entitled to one Nominee and the Catholic Entities collectively shall be entitled to one Nominee.

5.5 The two Nominees constituting the Implementation Steering Committee shall meet in the Province of Alberta, or otherwise in Canada as agreed, at least once each calendar year during the currency of this Agreement. The purpose of each meeting will be to review performance under this Agreement, and to resolve by consensus all disputes that arise or have arisen in the interpretation and implementation of this Agreement. The minutes of such meetings shall be signed by each Nominee at the conclusion of the meeting and filed with the Government, the Corporation and the Catholic Entities.

5.6 If the disputing parties are unable to resolve a dispute through negotiations within 120 days, either may request the commencement of mediation to resolve the dispute. The Mediator would be a third party neutral, who has no authority to resolve the dispute, but would facilitate resolution.

5.6.1 The mediation will be conducted by one Mediator jointly agreed upon by the Government and the disputing Catholic Entities.

5.6.2 The disputing parties will make a serious attempt to resolve the dispute through mediation by:

5.6.2.1 identifying underlying interests;

5.6.2.2 isolating points of agreement and disagreement;

5.6.2.3 exploring alternative solutions;

5.6.2.4 considering compromises or accommodations; and

5.6.2.5 co-operating fully with the mediator and giving prompt attention to, and responding to all communications from the mediator.

5.6.3 A party to the mediation may withdraw from mediation at any time by giving at least 21 days written notice of its intention to the other and the Mediator.

5.7 Notwithstanding Section 5.6, the Government may by notice in writing request that the Corporation or a Catholic Entity comply with a commitment made in this Agreement.

5.7.1 Where the Government has delivered a written request to the Corporation or Catholic Entity in accordance with this Agreement to have the recipient comply with such request within 60 days and the request has not been complied with, the Government may apply by way of summary application to a court of competent jurisdiction where the Corporation or Catholic Entity is located for a mandatory order that they immediately comply with their obligation.

5.7.2 The Corporation or Catholic Entity may file responding materials to the summary application and the rules of the court having jurisdiction will thereafter determine the process to be followed in determining the summary application.

5.7.3 If the court hearing the summary application finds that the Corporation or Catholic Entity have failed to comply with their obligations under this Agreement the court may order that they immediately comply with such obligations.

6.10 The Government, the Catholic Entities and the Corporation acknowledge that the participation in the negotiations leading to the execution of this Agreement, and the execution of this Agreement, does not constitute any admission by the Government, the Catholic Entities or the Corporation that they have any legal or financial liability to any party in relation to claims arising from or connected to the operation of an IRS. The Government, the Catholic Entities and the Corporation agree that they will not advance as evidence or argument in any legal claim against each other in relation to claims arising from or connected to the operation of an IRS, the negotiations leading to and the execution of this Agreement.

THE CATHOLIC HEALING, RECONCILIATION AND SERVICE EVALUATION COMMITTEE

1. The parties agree that there shall be a Committee known as The Catholic Healing, Reconciliation Service Evaluation Committee (“the Committee”) which shall be responsible to make grants of monies deposited with the Corporation and to approve In-Kind Services and admissible programs, all in accordance with this Agreement.
2. The reasonable administration costs of operating the Committee shall be paid first from the interest on funds held by the Corporation and thereafter may, with the consent in writing of the Government, be paid from the capital amount held by the Corporation. The Government may not unreasonably withhold the consent referred to in this Section.
3. The Committee shall be composed of seven members of which three members will be appointed by Catholic Entities; three members will be appointed by the AFN; and one member shall be appointed by Indian Residential Schools Resolution, Canada.
4. As much as possible, the Committee shall make decisions by consensus. Where a consensus cannot be reached through reasonable discussion and compromise, decisions may be taken by simple majority.
5. The guiding objective of the Committee shall be to ensure that admissible programs and services are directed to healing and reconciliation for former Indian Residential School students and their families. For greater certainty, the parties recognize that programs and services aimed at the community level may be admissible to the extent that the Committee is satisfied that the programs or service benefits are reasonably connected with healing and reconciliation for IRS students and their families.
6. Where an existing program or service is proposed, the Committee may certify the program or service to the extent that the Committee believes that the program or service or some part thereof is new or would not otherwise continue.
7. Programs and services must be open to all Aboriginal people regardless of denomination.
8. In addition the Committee shall consider the following criteria to applications for grants and for the approval of In-Kind Services.
 - a) Do Aboriginal people have input in developing and delivery of the program?
 - b) Has the program been effective in the past?
 - c) To what extent are aboriginal communities involved in the program?

- d) Does the program or service deal with former students, or their families and communities and the aftermath of IRS including providing assistance with the recovery of their histories?
- e) What portion of the overall cost of the program addresses the social, psychological, and health issues without regard to religiosity?

9. Where the Committee approves a service or program as an admissible In-Kind Service, it shall assess the value in dollars of the program having regard to its actual cost and the market value of similar services. The lesser of these two amounts must be used unless there are compelling reasons to chose a higher amount.

10. The Committee shall require applicants to certify that no program proposed for In-Kind eligibility has received grants drawn from either the Catholic Entities' \$29,000,000 cash contribution under this Agreement or the fruits of fund raising under this Agreement. For greater certainty, this condition is only meant to ensure that services funded under the settlement (or portions thereof) are not counted as eligible In-Kind Services.

11. Notwithstanding section 6 of this Schedule, the Committee as an interim measure may credit the value of a program or service offered between March 31, 2005 and the coming into force of this agreement toward the In-Kind Services provided that:

- a) it meets the criteria set out in sections 7 and 8 of this Schedule;
- b) the program or service did not exist before March 31, 2005 unless otherwise agreed to by Canada;
- c) the same program or service cannot be certified for a period following the coming into force of this Agreement unless it can be shown that it would not otherwise continue; and
- d) in no case shall the total amount credited for programs and services provided before the coming into force of this Agreement exceed \$1,500,000.

12. The parties agree that the Committee may meet and make decisions under section 11 of this Schedule before the coming into force of this Agreement, and that following the coming into force of this Agreement the decisions the Committee makes in this period shall be ratified without further review and the costs and reasonable expenses incurred shall be reimbursed by the Corporation in accordance with section 3.12 of this Agreement. For greater certainty, should this Agreement not come into force the decisions made under sections 11 and 12 shall have no force or effect and the Corporation has no obligation to make reimbursement.

SCHEDULE C

CONDITIONS UNDER WHICH PAYMENTS ARE MADE FROM THE CORPORATION TO THE ABORIGINAL HEALING FOUNDATION (“AHF”)

The Corporation shall pay monies deposited with it under Sections 3.3 as follows:

1. The Corporation shall receive applications for funding of healing and reconciliation programs.
2. Where the application is one that the Corporation supports, it shall forward the application to the AHF for its consideration.
3. Where the AHF approves the application in accordance with its ordinary criteria, the Corporation shall pay to the AHF the amount of funding approved for the program.
4. Subject to article 5 of this Schedule, where an application is not accepted by the AHF, the Corporation may fund the program if it satisfies the criteria set out in Schedule B.
5. At least 80% of monies paid under Section 3.3 of this Agreement shall be transferred to the AHF in accordance with this Schedule.
6. Where at the end of the 5 year period set out in Section 3.3.2, the Corporation has not spent all the monies paid under 3.3 of this Agreement in accordance with articles 1 through 5 of this Schedule, the balance shall be paid to the AHF to be spent in accordance with its ordinary criteria, unless otherwise agreed in writing by the Government and the Corporation.

Originals or true copies may be provided or originals may be provided temporarily for copying purposes if the original documents are not to be housed with the Commission.

- (3) For greater certainty nothing in this Section 11.02 will prevent the bringing of an action contemplated in Section 4.06(i) and (j) of this Agreement.

11.03 Claims by Opt Outs and Others

If any person not bound by this Agreement claims over or brings a third party claim, makes any claim or demand or takes any action or proceeding against any defendant named in the Class Actions or the Cloud Class Action arising in relation to an Indian Residential School or the operation of Indian Residential Schools, no amount payable by any defendant named in the Class Actions or the Cloud Class Action to that person will be paid out of the Designated Amount Fund.

- (1) Canada agrees to pay each lawyer, other than lawyers representing the Church Organizations, who attended the settlement negotiations beginning July 2005 leading to the Agreement in Principle for time spent up to the date of the Agreement in Principle in respect of the settlement negotiations at his or her normal hourly rate, plus reasonable disbursements, and GST and PST, if applicable, except that no amount is payable under this Section 13.02(1) for fees previously paid directly by OIRSRC.

ARTICLE FIFTEEN TRANSITION PROVISIONS

15.01 No Prejudice

The parties agree that the no prejudice commitment set out in the letter of the Deputy Minister of the OIRSRC dated July, 2005, and attached as Schedule “R” means that following the Implementation Date:

- (4) Following the coming into force of the Approval Orders, at the request of an Eligible IAP Claimant whose IRS abuse claim was settled by Canada without contribution from a Catholic Entity set out in Schedule “C” of this Agreement, such settlement having been for an amount representing a fixed reduction from the assessed Compensation, Canada will pay the balance of the assessed compensation to the Eligible IAP Claimant. Provided, however, that no amount will be paid to an Eligible IAP Claimant pursuant to this section until the Eligible IAP Claimant agrees to accept such amount in full and final satisfaction of his or her claim against a Catholic entity set out in Schedule “C” of this Agreement, and to release them by executing a release substantially in the form of the release referred to in Section 11.02 of this Agreement.

SECTIONS OF INDEPENDENT ASSESSMENT PROCESS, SCHEDULE D TO THE IRSSA, INCORPORATED BY REFERENCE

APPENDIX II: ACCEPTANCE OF APPLICATION (Schedule D page 19)

- iii. On admitting the claim to the IAP, the Secretariat shall forward a copy of the application to the Government and to a church entity which is a party to the Class Action Judgments and was involved in the IRS from which the claim arises.
 - A church entity may waive its right to receive applications for all claims, or for defined classes of claims, by notice in writing to the Secretariat, and may amend or withdraw such waiver at any time by notice in writing.
- iv. The following conditions apply to the provision of the application to the Government or a church entity:
 - The application will only be shared with those who need to see it to assist the Government with its defence, or to assist the church entities with their ability to defend the claim or in connection with their insurance coverage;
 - If information from the application is to be shared with an alleged perpetrator, only relevant information about allegations of abuse by that person will be shared, and the individual will not be provided with the Claimant’s address or the address of any witness named in the application form, nor with any information from the form concerning the effects of the alleged abuse on the Claimant, unless the Claimant asks that this be provided to the alleged perpetrator;
 - Each person with whom the application is shared, including counsel for any party, must agree to respect its confidentiality. Church entities will use their

best efforts to secure the same commitment from any insurer with whom it is obliged to share the application;

- Copies will be made only where absolutely necessary, and all copies other than those held by the Government will be destroyed on the conclusion of the matter, unless the Claimant asks that others retain a copy, or unless counsel for a party is required to retain such copy to comply with his or her professional obligations.

APPENDIX III: INVOLVEMENT OF ALLEGED PERPETRATORS (Schedule D page 21)

- i. The defendants will attempt to locate the alleged perpetrator to invite them to the hearing. If the alleged perpetrator is dead, cannot be located, or declines to attend, the hearing may still occur.

APPENDIX IV: INFORMATION COLLECTION; SETTING HEARING DATE; ATTENDANCE AND PARTICIPATION AT HEARING

- i. The defendants will collect and submit their documents to the Secretariat.
- vii. Given the non-adversarial nature of this IAP and the neutral, inquisitorial role played by the adjudicators under it, as well as the need to respect the safety of the Claimant, neither an alleged perpetrator nor counsel for an alleged perpetrator may attend while the Claimant gives evidence, without the Claimant's advance consent. Where counsel for a church entity also acts for an alleged perpetrator, this means that they may not attend the hearing while the Claimant gives evidence without the Claimant's advance consent. Government representatives may always attend this part of the hearing, as may representatives of church entities who are parties to the Class Action Judgments except their counsel if he or she is also acting for an alleged perpetrator in the case.

APPENDIX X: THE USE OF EXTRA-CURIAL KNOWLEDGE BY ADJUDICATORS

INTRODUCTION

A number of issues will arise concerning the ability of adjudicators to make use of information obtained or known beyond that provided by the parties in each individual case. There are several aspects to this matter:

- use of background information and/or personal knowledge, for example on
 - schools
 - child abuse and its impacts
 - the residential school system

- carry-forward of information from hearing to hearing, for example on
 - alleged perpetrators and the *modus operandi* of proven perpetrators
 - conditions at a school
 - credibility findings
- use of precedents from other adjudicators
- ability of adjudicators to confer

The approach to be taken to these issues is set out below, by reference to the source of the information in question.

1. Orientation Materials Provided to Adjudicators

Adjudicators will be supplied with orientation materials on the residential school system and its operations, as well as on child abuse and its impacts.

If any of the orientation materials are specifically identified as containing uncontested facts or opinions, they may be used as follows:

Adjudicators are expected to inform themselves from this material. They may use it to question witnesses, but also to make findings of fact and to support inferences from evidence they find credible, for example to conclude that trauma of a certain kind can be expected to flow from a sexual assault on a child. These latter uses of this information are justified by the fact that representatives of all interests have agreed to its inclusion in the orientation materials for this use, and all participants in a hearing will have access to the orientation materials.

Wherever possible the adjudicator should use the information at the hearing to formulate questions to any witnesses who may be able to comment on it, or whose testimony it may contradict, support, or help explain. Where this is not possible, the proposed use in reaching a decision should be identified to the parties at the hearing to give them a chance to comment on it in their submissions, but so doing is not a condition precedent to the proposed use.

Where the material is used in coming to a finding of fact, or drawing an inference, it should be cited and its relevance and the rationale for its use set out in the decision.

Where orientation information provided to adjudicators does not represent uncontested facts or opinions, it may be used by adjudicators as follows:

Adjudicators may use this category of orientation materials as a basis for

questioning witnesses, or testing the evidence, but may not rely on it as an independent basis for their conclusions of fact or their assessment of the actual impact of abuse on an individual.

2. Personal Knowledge of Abuse and its Impacts

Some adjudicators may bring to the job an extensive background in dealing with child abuse, or may receive information on child abuse and its impacts at training sessions or continuing education programs, or through their own reading or research.

The approach to the use of this kind of information is as follows:

Adjudicators may use their personal knowledge, training they have received, or general educational materials, as a basis for questioning witnesses, or testing the evidence, but may not rely on them as an independent basis for their conclusions of fact or their assessment of the actual impact of abuse on an individual.

3. Document Collections

Adjudicators will be provided with Canada's, and potentially a church's, document collection on each school for which they are holding hearings. This material will also be available to Claimants and their counsel.

The approach to the use of this kind of information is as follows:

Adjudicators are expected to inform themselves from this material, which may be used as a basis for findings of fact or credibility. Where any of it is so used by adjudicators, it must be cited and its relevance and the rationale for use set out in the report.

Because this information is specific to the school in question and is provided in advance, it is expected that adjudicators will be familiar with it before starting a hearing to which it is relevant. Given this, before relying on specific documents to help decide a given case, the adjudicator should seek the consent of the parties, or put the relevant extracts to any witnesses who may be able to comment on them, or whose testimony they may contradict or support. Where there are no such witnesses, or where one or more parties contest the use of the documents, the adjudicator may still use them in his or her decision, but wherever possible should advise the parties of the proposed use of the document so that they may address it in their submissions.

4. Previous findings

Adjudicators will hear evidence about, and make findings of fact about, the operations of various schools, their layouts, the conditions that pertained in them, the acts and knowledge of adult employees, and where an individual is found to have committed a

number of assaults in a particular way, their *modus operandi*.

The approach to the use of this kind of information is as follows:

Adjudicators must treat each individual's claim as a unique claim to be determined on the evidence presented, plus information expressly permitted to be used according to the guidelines agreed to for this process. They may not carry forward, much less be bound by, previous findings they have made, including findings of credibility.

They may, though, use information from previous hearings to inquire about possible admissions, or failing that, to question witnesses. This ability to bring forward information from previous hearings for these specific purposes flows from the fact that this IAP is not a party-controlled adversarial process. Instead, the inquisitorial model is being used to have adjudicators inquire into what happened, using their skills and judgment to question witnesses to determine the facts.

While it would not be fair to base a decision on evidence from a previous hearing, since some or all of the parties would not know its context, and would be unable to challenge its reliability, it is also not appropriate to insist that adjudicators act as if each case were their first one. Their job requires them to test evidence and determine what happened. While they cannot call witnesses, it is their duty to question them, and they must be free to pose questions and follow lines of inquiry they believe to be relevant. Whether that belief flows from common sense, instinct, or something heard at another hearing, it is appropriate as a basis of inquiry, although, in the absence of an admission, not as evidence.

5. Stare decisis

Although reasons will be issued in each case, the IAP will not operate on the basis of binding precedent. All adjudicators are of equal authority, and should not consider themselves bound by each other's previous decisions. Through conferencing, adjudicators may come to a common interpretation of certain procedural issues, but each case must be determined on its own merits.

APPENDIX XI: TRANSITION FROM LITIGATION OR ADR PROJECTS, AND PRIORITIES FOR ACCESS TO THE IAP.

All IRS Claimants who meet the criteria for this IAP may apply to it for the validation of their claim except:

1. Claimants who have settled their IRS claim, whether in the litigation stream or the existing DR, except as provided for in the transition rules established by the Class Action Judgments.
2. Claimants whose claims have been dealt with at trial.

For greater certainty, participation in unsuccessful resolution discussions with the Government or a church in an attempt to settle claims does not preclude access to the IAP. Only where one of the above conditions applies will an application to enter the new process be rejected.

Rules for Pre-existing Evidence

Where a Claimant who has given evidence in a previous IRS proceeding in a pilot project, or in a hearing under the DR Model or this IAP (where a new hearing has been ordered following a review), or in litigation proceedings (including answers to interrogatories or participation in an examination for discovery), wants to and is eligible to enter the IAP:

- (i) the record of the previous evidence must be provided to the adjudicator in the IAP, who may use it as a basis to question the Claimant;
- (ii) the Claimant must appear before the adjudicator to give evidence, if a hearing is held;
- (iii) the Claimant may adopt their previous evidence rather than provide a narrative account at the hearing;
- (iv) the Claimant is subject to questioning by the adjudicator on the same basis as other Claimants.

The fact that a case is transferred from litigation where documentary rules are different does not change the kinds of documents permitted in proceedings under the IAP. For greater certainty, the only expert assessments permitted in this IAP are those conducted by an agreed-upon expert on the order of, and under the direction of, an adjudicator.

Potential for Expediting the Transfer

To expedite transition to the new system, and reduce the burden of completing an application in circumstances where the Claimant has already given evidence, counsel for the Government and the claimant should endeavour to develop an agreed statement of fact on some or all of the issues based on the evidence given.

Phasing of Acceptance into the IAP

In considering applications to the IAP, including applications to the DR Model which are transferred to the IAP, priority will be given, in order, to:

- a) Applications from persons who submit a doctor's certificate indicating that they are in failing health such that further delay would impair their ability to

- participate in a hearing;
- b) Applications from persons 70 years of age and over;
 - c) Applications from persons 60 years of age and over;
 - d) Persons who have completed examinations for discovery;
 - e) Persons who are applying as members of groups.

Among persons in categories d or e, above, the health of any alleged perpetrator who has indicated they will give evidence at a hearing may be used to establish priority.

SECTIONS OF MANDATE FOR THE TRUTH AND RECONCILIATION COMMISSION, SCHEDULE N TO THE IRSSA, INCORPORATED BY REFERENCE

10. Events

There are three essential event components to the Truth and Reconciliation Commission: National Events, Community Events and Individual Statement-Taking/Truth Sharing. The Truth and Reconciliation process will be concluded with a final Closing Ceremony.

(A) National Events

The national events are a mechanism through which the truth and reconciliation process will engage the Canadian public and provide education about the IRS system, the experience of former students and their families, and the ongoing legacies of the institutions.

National events should include the following common components:

- (k) participation of high level government and church officials;

(B) Community Events

It is intended that the community events will be designed by communities and respond to the needs of the former students, their families and those affected by the IRS legacy including the special needs of those communities where Indian Residential Schools were located.

The community events are for the purpose of:

- (c) involving church, former school employees and government officials in the reconciliation process, if requested by communities;
- (f) allowing for the participation from high level government and church officials, if requested by communities;

(D) Closing Ceremony

The Commission shall hold a closing ceremony at the end of its mandate to recognize the significance of all events over the life of the Commission. The closing ceremony shall have the participation of high level church and government officials.

14. Budget and Resources

Institutional parties shall bear the cost of participation and attendance in Commission events and community events, as well as provision of documents. If requested by the party providing the documents, the costs of copying, scanning, digitalizing, or otherwise reproducing the documents will be borne by the Commission.
